Response to Amendment

The reply filed on October 1, 2007 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The previous office action raised a rejection under 35 USC 122, paragraph two, regarding the language "diffusional selectivity" on the grounds that there is no definition presented in the specification that would indicate the meaning of this concept. Although it would appear that applicant has made an attempt to address this issue by amending the claims, the amendment to claim 1 appears to be incomplete, which results in a failure to adequately address the rejection. " See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Elizabeth D. Wood whose telephone number is 571-272-1377. The examiner can normally be reached on M-F, 5:30-2:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jerry Lorengo can be reached on 571-272-1233. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
